

# Prompt Gamma Imaging in Particle Therapy

## Friday, 7 July 2023

### Contributed talks IV (16:40 - 17:40)

-Conveners: Aleksandra Wrońska

time	[id] title	presenter
16:40	[2] Preclinical Application of Prompt Gamma-Ray Timing for Proton Treatment Verification	MAKAREVICH, Krystsina
17:10	[3] Characterization of organic glass scintillators for a hybrid multi-particle imaging system for range verification in proton therapy	Mr TURKO, Joseph
