

Workshop at 1GeV scale: From mesons to axions

Thursday, September 19, 2024 - Friday, September 20, 2024

Faculty of Physics, Astronomy and Computer Science, Jagiellonian University

Scientific Programme

The main topics of the workshop are:

- precision measurements as tests of fundamental symmetries,
- searches for physics Beyond the Standard Model,
- axions, ALP's, and exotic particles,
- hadronic and electromagnetic meson production,
- novel approaches in theory and experiment.
